30 Week Fiction / Memoir Course ONLINE – Content of module set

Note: Tutor works through this module set during the course, guiding the student through each module and the exercises associated with it, while the student progresses his / her / their project.

Progress through these modules is in conjunction with the course text, which is the Gotham Writers Workshop of New York's text, 'Writing Fiction'. This text can be sourced via Amazon for a \$US 10 new, or a few dollars (used). Student and tutor confirm at each step that the module has been understood and completed, before moving to the next module.
